About Me

Kathleen's journey with the Law Offices of Sandra H. Castro began long before she became an attorney. After years as a hearing representative and paralegal for the firm, she was inspired to become an attorney and has spent the last decade fearlessly advocating for clients. Today, she's known for taking on difficult cases with confidence, outworking the opposition, and fighting relentlessly to secure exceptional results for her clients.

A graduate of Western State University College of Law, Kathleen earned her J.D. summa cum laude in 2016, served as an Editor of Law Review, and was named Best Oralist in the Honors Moot Court Competition. Today, she serves as President of the Greater Inland Empire Chapter of the California Applicants' Attorneys Association, where she continues to champion excellence in the legal profession.

Clients appreciate Kathleen not only for her aggressive advocacy but also for her ability to make the legal process feel less intimidating. She takes the time to explain every step, explore every available option, and fight relentlessly for the best possible outcome.
